

Tucson Women's Chorus is searching for a new Artistic Director. We are an a cappella singing group of 50 - 60 women, committed to celebrating all women's voices in a vibrant, intentionally welcoming singing community. We do not hold auditions, nor do we ask that singers be able to sight read music. We relish the chance to learn new songs together, to improve as musicians bit by bit, to rehearse, practice, perform, and have fun! We also look for opportunities to sing with other women outside our group and in our community.

TWC rehearses on Monday evenings. For a full job description, or if you have questions about the position, please contact Carol Evans at [carol.ev@comcast.net](mailto:carol.ev@comcast.net)

Also, if interested, feel free to send a brief letter and/or resume to above Carol Evans.
